Second Round of Housing & Dining Selection

There is a second round of the housing and dining selection process which occurs during the middle of the summer every year. All rising sophomores and juniors that do not select housing during the first round of housing and dining selection process, are automatically placed on the Yet To Be Assigned list (YTBA) to select during the second round. This is a normal part of the assignments process and occurs each year.

During the summer, rooms open up across campus for a number of reasons, including when students decide to go abroad or transfer. We can't guarantee a single or a particular residence hall, but there will be housing options available for everyone.

Students on the YTBA list will receive an e-mail with a selection day and time in July to go online and select housing from what is available at that time. Students will select in the same priority order (Juniors and then Sophomores). You will not have to have a roommate to select a bed space in a double during this round.

If you have any questions, please contact Kristy Eanes, Coordinator of Assignments at eaneska@wfu.edu.
